Be a Trailblazer on one of the country’s most exciting greenway projects! 71 meandering miles of trail in urban and rural communities connecting people to the outdoors.

Shape the historic narrative of Denver as a sponsor for The High Line Canal Conservancy’s seminal event: Dine for the High Line 2020. Join the celebration underneath a canopy of Colorado cottonwoods, while raising funds for the Denver region’s historical, ecological and recreational outdoor refuge. Where the plains meet the mountains, Denver’s pioneering spirit continues! Your support will help to ensure a vibrant and long-term future for the Canal. Join our collaborative vision: citizens, governmental leaders, municipalities, Denver Water and corporations united by the shared goal of enhancing and preserving the High Line Canal.

PROCEEDS FROM THIS EVENT WILL HELP TO SECURE:

- Long-term permanent protection and maintenance
- New open space/parks and trailheads with user amenities
- Directional and interpretive signage
- Crossing safety and trail gap solutions
- Environmental guidelines for landscape, tree planting and stormwater
- Health and education programs for increased access and use

BE A PART OF COLORADO HISTORY!

EVENT DETAILS

Date: Friday, September 18, 2020
Time: 6:00pm
Location: To be announced
Dress: Attire fit for an evening feast under the stars and shoes to walk in the outdoors!
Expected Attendance: 325
Co-Chairs: Dirk & Carol McDermott and Kathy & Tom Tyree

- Connects to 72 adjacent open spaces (a total of 8,226 acres)
- 11 supporting jurisdictions (dollars and manpower)
- 500,000 + annual users
- 350,000+ residents within 1 mile
- 28 schools within 1/4 miles
- 33 trails
- 199 bird + 28 mammal + 15 reptile species
- 23,677 trees
- 1M + press reach
- 950 community leaders engaged
- $5.5M raised since 2015
The High Line Canal Conservancy is a non-profit, 501c3 created by a passionate coalition of citizens with the mission to preserve, protect and enhance the 71-mile-long High Line Canal in partnership with the public. The Canal is a beloved asset across our region and today we have a unique opportunity to claim this historic waterway for public use as a permanently protected vibrant greenway. Through generous support of Denver Water, jurisdictions, individuals, corporations and foundations along the Canal’s reach, the Conservancy is leading planning for and implementing long-term protections and enhancements along this regional treasure that will improve lives and communities for generations to come.
